Executive summary: [A short summary of the key points that are contained within the report]

Summary of Progress since the last report: [This should cover the progress made since it was last reported to the board.]

Summary of the Outcomes highlighted in this report: [Outcomes are defined as the end results from actions. These may be in advance of Impact.]

Summary of the Key Positive Impacts (including proposed impacts) on children, young people and their families highlighted in this report: (Impact is defined as the strong effect or influence that actions have had on children, young people and their families]

Summary of the evidence being presented as appendices to this report: [Evidence should relate to that which is being relied upon to demonstrate the impact stated above]

Risk considerations: [A summary of any material risks that arise from this report, the mitigations being taken and escalations that are required inc. inclusion on the risk register]

Appendices:

EXEMPLAR

United for Disabled Children

The Council for Disabled Children brings people and organisations together to drive change in society and deliver a better childhood for disabled children in the UK. We interrogate policy, uncover evidence, and develop more effective ways of supporting disabled children and families. Together with National Children's Bureau we are united for a better childhood.
